DISCUSSION/ACTION:

Homedale Police Dept.: Replacement of Police Car

Jeff explained the insurance company totaled the car and will give us:
\$5,984.00 minus our deductible; so we will net

	\$4,984.00
The car that was auctioned off will bring in	<u>3,100.00</u>
	\$8,084.00

Idaho State Police have two cars for sale;

2016 for \$8,000 and a 2014 for \$5,000. He stated both cars come fully equipped. Jeff added he is hoping to get an additional \$2,000 plus from the insurance company for the cameral and striping on the totaled car. Plus he has a couple of motorcycles they have from a drug bust that he will be putting in the auction.

He would like the 2014 for Justin Herman to drive home since he has moved close to town. He added he would turn his car into a fleet car and he would drive the 2016.

He said a new SUV would be approx.. \$34,000; the eco-boost runs \$39,000 and they are probably 6 months out.

The Council felt he should change to SUV's and no more chargers.

Councilman Aebischer thought each officer should have his own vehicle.

Councilman Tines feels he should put the SUVs in service and order a new SUV.

Councilman Atkins suggested he purchase the 2016 and the 2014 and order a new SUV.
